A new sport seems to be becoming popular at Lake McGregor.

Last week we were visited by a number of skin divers equipped with suits, weights, oxygen tanks, flippers, and spears. They found the water rather muddy for good visibility. They planned to explore the deeper parts of the lake in the hope of spearing Whitefish. Time will tell whether this sport will become popular.

A rather serious accident happened Saturday night when a truck, running out of control, collided with the rear end of three cars and two trucks parked on the main street. No one was injured but the property damage ran fairly high.

Visitors at the home of Charley Anderson included Mrs. Len Larson and Mrs. Holman of Strathmore.

About five carloads of people from the Milo district, organized by the Milo-Queenstown Lion's Club, attended the Blood Donor Clinic at Crowfoot. The officials in charge report the clinic to be the most successful held in Alberta.

Sixty-eight Blackfoot Indians made donations and it is anticipated that this fine example may be copied elsewhere.

Vulcan Elks maintained a firm grip on fourth place in the Foot-hills-Wheatbelt Baseball League standings on Sunday as they split a double header with Lethbridge Miners, losing the first game 5-14 but taking the second by an 8-5 score.

In the first game Elks broke on top with a two-run homer by Houck in the second frame. That set the stage. Miners liked the idea of putting the ball over the fence and before they were through, they had collected five home runs, two each by Earl Ingardfield and Yanosik, and another by Mitch Sztaba.

Ingardfield's first poke, a 340-foot effort that cleared the right field fence, was clouted with two mates aboard and put Lethbridge out in front to stay. Sztaba's shot in the fifth inning, with John Klem on base, was the crowning touch. Elks got two more runs in the sixth as Ron Laughlin belted a homer with Alvarez on base, but Miners roared back in their half of that frame with seven runs that saw both Ingardfield and Yanosik clout 380-foot round-trippers.

Lefty Al Warnick allowed only four hits for Miners as he toiled on the mound through the full nine innings. He struck out six and walked the same number.

Doug Marquardt started for Elks, was relieved after giving up seven hits, five runs, struck out three and walked three. Dailey relieved in the fifth, allowed six hits and seven runs, walked one and failed to strike out a Miner. Horton finished up, allowing two runs on three hits, struck out four and walked only one.

In the crucial second game, Scott started on the mound for Lethbridge and was relieved in the sixth by Kucheran after he had loaded the bases by allowing the first two men to face him to single and by walking Chuck Dailey, ninth man in the Vulcan batting order, for the third successive time.

Kucheran came on and served up a gopher ball to Elk shortstop Art Alveres, and it was all over. At the time the score stood 6-2 for Vulcan.

Miners got two back in the bottom of the seventh as Yanosik blasted a drive 400 feet over the right field fence with Kucheran on base. They came within striking distance in the bottom of the eighth as they plated another tally on catcher John Phillips' up-the-middle poke that drove home Vic Stasiuk, who had gotten on with a double.

But with two out in the ninth, Stasiuk bobbled a hard drive by Elk Don Jantzie. Itch Horton, third sacker for Vulcan, powered a Kucheran pitch out of the park, and Elks were out of reach.

The winning pitcher was Jim Houck who went 7 and 2 in innings, gave up 12 hits and five runs, walked four and struck out three. Dailey came on to give up no runs or hits, walked one and struck out none.

Loughlin was the star in the hitting department for Elks in the

Mr. and Mrs. L. Armstrong left for a ten day vacation to the west coast where they will visit relatives at Bellingham and Vancouver, B.C.

Visiting at the home of Mr. and Mrs. G. H. Dishaw last weekend were Mr. and Mrs. Joe Theil of Castlegar, B.C. Mrs. Dishaw then accompanied the Thiels back to Castlegar.

Mr. and Mrs. Clarence Umschied have returned from a vacation in Banff.

The annual "Theatre Under the Stars," sponsored by the Milo United Church Ladies' Aid, was held on July 19. An untimely rain caused the scene to be transferred from Lake McGregor to the Odd-fellow's Community Hall at Milo.

The hall was barely able to accommodate the large crowd in attendance. Out of town entertainers included the following: The Chicken Dancers from Cluny; Warden Budd of Vulcan and Dale Wyatt of Arrowwood who each sang a number of very enjoyable solos; Mrs. Mildred McDonald of High River gave a very interesting and humorous reading. These acts, combined with the local talent, made up a very enjoyable evening.

The program was emceed by W. Robinson.

Mr. and Mrs. Jack Heather of Regina, Sask., visited at the home of Mr. Heather's parents, Mr. and Mrs. Geo. Heather, over the week-end.

County Council Passes Seed Cleaning By-law

Vulcan County Councillors held their regular monthly meeting last week and transacted mostly routine business. At the County Council meeting held on Friday, Councillors gave third reading to By-Law No. 135 to authorize the expenditure of the sum of \$45,000 to assist Seed Cleaning Associations to set up seed cleaning plants in the County. This means that the enabling legislation is passed to provide assistance to those communities which form Seed Cleaning Associations and avail themselves of the grant from the Provincial Government and the County.

Councillors discussed the matter of the new legislation regarding a Farm Purchase Board to enable residents of the County to obtain additional farm lands and after reviewing the details and requirements, decided to table this matter for the time being.

Councillors had an interview with one of the officials of the Carmanagay Lions Club regarding a road to the Little Bow Park on the south side of the river and promised to assist building a road, if possible.

At 3:00 o'clock in the afternoon, the Council set up its Court of Revision to hear complaints on the 1957 assessments and dealt with these. Present at the meeting was J. J. Miller, Assessor.

At the Municipal Committee meeting, the Committee gave consideration to the matter of straightening the Lomond road down to the Lake McGregor bridge. This would involve an entirely new location for the road and it was decided to make application to the Provincial Government for a special grant to do this work, which it is hoped to be completed next year.

The Committee also gave instructions to advertise in the local paper the fact that farmers should refrain from using one way plows on the road shoulders. It was noted that considerable damage is being done to the roads by farmers moving these plows along the grades.

The Committee heard a complaint regarding a culvert on the N.W. 23-21-25, and decided to lower the culvert to overcome some of the flooding, if possible.

At the School Committee meeting, Committee Members dealt with matters pertaining to the renovation of the schools and passed a motion authorizing painting and repairing to be done.

Committee members discussed the matter of engaging a repair man and passed a recommendation to the County Council that a suitable repair man be hired on a full time basis.

Correspondence was received from the Public Utilities Commission stating that the By-Law for the Brant School addition had been approved and that the authority to borrow sufficient funds for this project had been approved and published in the Alberta Gazette.

The committee discussed the problem of teacherages at the various points and noted that there was a problem at Carmanagay to find suitable living accommodations for the teachers required there.

Bake Sale and Tea Success

The L.A. of the Legion wish to thank everyone who helped to make their bake sale and tea such a success.

The Searle Grain Co., bread

baking competition sponsored by the L.A. created great interest. Scores for judging were given by the company which were as follows: General appearance, 30 points; internal appearance, 40 points, and flavor and odor, 30 points.

The L.A. to the Legion wish to give special thanks to the judges who so kindly donated their time and to all who entered the competition.

Owing to shortness of time for judging, several loaves were chosen which qualified for the first 30 points, then their loaves were later judged for internal appearance, flavor and odor.

TRACH — KUZIW

The marriage of Miss Leona Marie Kuziw and Peter Trach was solemnized in the Immaculate Conception Catholic Church, Champion, Saturday morning, June 29, before an altar banked with red roses and white mums. Rev. Father Connolly heard the marriage vows at the double-ring ceremony that united in marriage the daughter of Mr. and Mrs. Morris Kuziw of Champion and the son of Mr. and Mrs. John Trach of Clondonald, Alta.

Given in marriage by her father, the bride was gown in a floor-length model of net over satin with bouffant skirt. The bodice featured a scalloped neckline and lily-point sleeves. Her illusion net veil was three-quarter length and fell from a sequin studded tiara. She carried a sheath of red roses. Her only jewellery was a rhinestone set, a gift of the groom.

The bride's attendants were her sister, Miss Theresa Kuziw; Miss Annette Butz of Edmonton, and her two cousins, Misses Joan and Adriene Hockin of The Pas, Man. Her matron of honor was an aunt, Mrs. Robt. Chartier of Picture Butte.

Miss Kuziw wore a pink gown and carried blue carnations; Miss Butz wore blue and carried pink blossoms as did Miss Adriene Hockin. Miss Joan Hockin chose a pink gown, her bouquet was blue carnations. Mrs. Chartier was gown in blue chrysothel and carried white flowers.

Those attending the groom were his brother Danny Trach, Vermillion; Robert Kuziw, Champion; Johnny Shyska and Walter Mayowski of Clondonald.

Ushers were Jerald Baddrey, Coronation and Steve Warwora, Vermillion. Master of ceremonies was Robt. Chartier of Picture Butte.

Mrs. J. Hunsinger was organist and accompanied the choir.

A reception was held in the Community Hall which was tastefully decorated. Mr. and Mrs. Kuziw assisted the young couple in receiving the guests. The bride's mother wore a blue lace dress with pink accessories.

The guest book was in charge of Miss Mary Strauss, Champion and James Chartier, Edmonton. The bride's table was centered with a lovely three-tier wedding cake decorated by the bride's mother.

The toast to the bride was given by Robt. Chartier and responded to by the groom. Rev. Father Connolly gave a very nice talk.

A solo "Be My Love" was sung by Paul Chartier, Edmonton. "I Love You Truly" was sung by Mrs. Vern Gale, The Pas, Man.; Robt. Chartier and Paul Chartier.

Many relatives and friends attended.

The bride wore a white going-away suit with pink accessories and corsage of pink roses.

Martin Fogarty

One of Southern Alberta's beloved pioneers, Martin Fogarty, celebrated his 85th birthday recently at the home of Mr. and Mrs. Milo Seebeck twenty miles east of Carmangay.

Mr. Fogarty was born in Point Gatineau, Quebec, in 1872. He is of Irish Canadian parentage but was raised in a French settlement and speaks French as well as English.

He first came to Fort McLeod in 1897. He freighted through the Crow's Nest Pass to Fernie, while the C.P.R. was under construction. Later he freighted on the Grand Trunk out of Edmonton.

It is interesting to note that Mr. Fogarty and Wm. Kearns (now of New Westminster, B.C.) moved the first yard of dirt on the Canadian Land irrigation canal development in 1909. In 1911 he put in five miles of ditch in the vicinity of the present site of Hays. In 1913 he built a stretch of the C.P.R. line between Travers and Lomond.

Mr. Fogarty bought his ranch on the Little Bow River in 1913. He had it rented the two years previously for pasturing horses. At the outbreak of the First World War in 1914, he really started in farming. In 1916 he married Mrs. Grace Bannister Seebeck.

The dry years came and 1919 saw him back doing construction work in the Suffield District.

Mr. Fogarty kept on with construction work until 1932. From then on he devoted all his time to ranching. He raised horses, cattle and sheep as well as some grain.

Their ranch home was a favorite place to visit. Strangers were always welcome. It was a shock to everyone when Mrs. Fogarty passed away suddenly following an operation in 1938. Mr. Fogarty has two step-children, Milo Seebeck and Mrs. Mark Nowatny and three grandchildren.

He moved to Lethbridge in 1953, where he presently resides. He is very active and still drives his own car. He is famous for his Irish wit and jovial manner.

Mr. and Mrs. Bill Ohler accompanied by Mr. and Mrs. Art Cuthbert of Vulcan are visiting Mr. Ohler's sisters and families in Walla Walla, Washington. Estimated damage of \$7000 was caused to the combination garage and machine shop when fire completely demolished it recently. The other buildings were saved by a hasty arrival of the Carmangay and Claresholm fire brigade, and surrounding neighbors and townspeople.

Mr. and Mrs. Bert Clemmons accompanied Mr. and Mrs. Larry Umschied to Calgary on Wednesday. Larry had to take his car to the repair shop to have the back window replaced. A few days before while driving along the road a big crash sounded from behind the car and on investigation Larry found that the back window had parted company from the body of the car. What caused the window to blow isn't known, fortunately no one was hurt.

Showers again this week brought relief to the district, although some farmers with hay cut would have welcomed a few days of dry weather. Crops and gardens have benefited from the showers.

Among those from our district who participated in the program of The Theater Under the Stars were Harvey Godkin, Mrs. Irwin Sukut, Wendy Godkin and Lynn Godkin.

The F.W.U.A. July meeting was

The next meeting will be held at the home of Mrs. Gilbert Voys. This meeting was conducted by Mrs. John Papp as both the president and vice-president were on vacation.

Mrs. Hurley of Calgary is a guest at the home of her niece, Mrs. John Papp.

The report of the F.W.U.A. meeting should have stated that the members were invited to the F.W.U.A. day picnic at the Arrowwood picnic grounds on Sunday, July 28, also that Mrs. Sady Henry read the bulletin.

That's important. A paint job costs money, and it should last. Mildew is an air-borne fungus that clings to paint and grows and grows. But it can't do either on mildew-resistant Kyanize Color-Related House Paint.

Make your house the handsomest on the street ... and be sure it will stay that way a long time. Paint it with mildew-resistant Kyanize Color-Related House Paints keyed to the color of the roof. We'll be glad to help you work out just the right color scheme.
